# CHRIST CHURCH CRANBROOK

COLUMBARIUM — AND — EASTER GARDEN

On the north side of Christ Church Cranbrook you will find a garden-like setting serving as a final resting place for members of the Christ Church family and the wider community. When visiting, you will be drawn to the beauty, tranquility and dignity of the surrounding area.

Through the Columbarium and the Easter Garden, Christ Church Cranbrook provides an important ministry at the time of death.

Cremation of mortal remains is simple, reverent and in accordance with the teaching of the Episcopal Church. The committal of ashes to the earth and the person into God's good hands are symbolized with special reverence in the serene, consecrated grounds of the church.

## THE COLUMBARIUM

The Columbarium is a beautifully landscaped garden consisting of attractive granite-faced stone walls with niches for the reverent housing of urns containing the ashes of the deceased.
