

CHRIST CHURCH CRANBROOK

COVID-19 Informed Consent

Thank you for your continued trust in our ministry practices. As with the transmission of any communicable disease like a cold or the flu, you may be exposed to COVID -19 also known as the “Coronavirus,” at any time when we gather in community. Christ Church Cranbrook intends to follow the state and federal guidelines and social distancing practices to the best of our ability to limit the transmission of all and any diseases.

However, there is an inherent risk of exposure to Covid-19 in any location when people are present, and you could be exposed to the disease while gathered to do ministry or worship, just as you might be in any other place that you visit. Social distancing nationwide has reduced the transmission of coronavirus, but even with the best practices there is still a risk of exposure.

By signing “yes” below, you accept the risk of Covid-19 exposure while gathered to serve or worship within our Christ Church Cranbrook community and agree not to hold Christ Church Cranbrook, or any of its affiliates, vestry members, employees, agents, contractors or volunteers liable if you become ill from Covid-19. You also agree to practice social distancing within our Christ Church Cranbrook community.

Your signature below is on your behalf, as well as on behalf of the minors designated below for whom you are parent/guardian.
